1 the court set a final hearing date at a date to be  
2 determined at a later time, after either of the parties  
3 request a status conference, and essentially hold off on  
4 the final hearing until presumptively Judge Nuffer  
5 rules, but we can imagine other circumstances that might  
6 require or make sense for the parties to seek a final  
7 hearing in advance of that. But that's the way we'd  
8 like to proceed, and subject to Mr. Beckett's thoughts,  
9 I believe VidAngel is amenable to that.

10 THE COURT: All right. And I did not mean  
11 to suggest -- I'm happy that the parties are calling in.  
12 You're generally welcome to do that.

13 Mr. Beckett?

14 MR. BECKETT: Thank you, Your Honor.  
15 VidAngel has no objection to the proposal.

16 THE COURT: All right. Will -- which party  
17 will memorialize that, or should it just been a minute  
18 entry? Is a minute entry --

19 MR. BECKETT: I'm comfortable with a minute  
20 entry, Your Honor.

21 MR. ROSEN: We're comfortable with a minute  
22 entry as well, Your Honor. And, again, the thought  
23 would be that we would just reach out to the court,  
24 either the movants or VidAngel, and seek a status  
25 conference to get it back on a set calendar date. But

1 otherwise, you know, we would reserve all of our rights  
2 with respect to discovery in advance of the final  
3 hearing. And, you know, we're moving forward obviously  
4 on the assumption that VidAngel is not going to use the  
5 stay to violate the injunction on a postpetition basis.

6 THE COURT: All right. Very good. I will  
7 prepare a hopefully very clear minute entry to that  
8 effect.

9 Are there any other aspects of the  
10 resolution of the hearings, the hearing on these two  
11 matters? There was a comment about the claims bar date,  
12 is that to be --

13 MR. ROSEN: It's not part of this, Your  
14 Honor. Our intention would be to still file, you know,  
15 unliquidated proofs of claims in accordance with the bar  
16 date, and, as we've requested, you know, seek to  
17 liquidate the claims in the California court at the  
18 appropriate time.

19 THE COURT: All right. Well, that is  
20 certainly acceptable to the court, so we will make a  
21 minute entry to that effect and wait further action by  
22 the movants or the debtors on these two motions.

23 MR. BECKETT: Your Honor, thank you for your  
24 time yesterday, very helpful for everyone, thank you for  
25 your time today.

1 I will also undertake for the debtor that we  
2 will apprise the court by some notice filing when Judge  
3 Nuffer makes a decision. That really has nothing to do  
4 with what we're talking about today, other than to say  
5 that we'll make sure that the court is apprised of that,  
6 and the parties can react however they like.

7 THE COURT: Very good. Well, I think at  
8 this point in the case this is a good result for all  
9 parties, and we can deal with these issues when we have  
10 a better sense of how the Utah/California litigation is  
11 going to proceed. So with that, the matter is continued  
12 without date consistent with the statements made on the  
13 record.

14 Is there anything else to be addressed  
15 today?

16 MR. ROSEN: Not from the movants, Your  
17 Honor. Thank you.

18 THE COURT: All right.

19 MR. BECKETT: No. Thank you, Your Honor.

20 THE COURT: Very good. Court is in recess.

21 (Whereupon, the matter was concluded.)
