System for Free to Provide Immediate Relief
to Families; Invites Content-Creators to
Submit Titles to be Included on VidAngel***

(Los Angeles, CA—March 16, 2020) [VidAngel](#), the family-friendly streaming app and original content studio, is announcing that, in response to the Covid-19 crisis, all content on VidAngel is free for the next two weeks. This includes VidAngel’s popular original series *The Chosen* about the life of Jesus and his disciples, and *Dry Bar Comedy*, the standup comedy series featuring the world’s largest collection of clean standup comedy.

“We understand how strapped working parents are right now trying to juggle kids at home and work from home, and we also know from personal experience how being away from school and not seeing their friends is a real challenge for all of our kids. That’s why we’re making VidAngel completely free for the next two weeks,” said Neal Harmon, CEO of VidAngel. “We hope free access to our award-winning content, which is both entertaining and educational, will come as a welcome relief in the face of the stress of the pandemic. The VidAngel family, just like your own, has an opportunity to pitch in and do whatever we can to help our communities weather this crisis. We hope that in some small way this will help.”

VidAngel Free Features Include:

- The ability to skip objectionable content on Netflix and Amazon content
- Award-winning series *The Chosen* about the life of Jesus
- Hundreds of episodes of *Dry Bar Comedy*, clean standup comedy
- Dr. James Dobson's teaching series, *Building a Family Legacy*
- The *Family Night Out Series*, including *Home at Hank* with Hank Smith
- To take advantage of this free offer, simply go to VidAngel.com.

All of those who are interested must agree that they will practice social distancing during the pandemic to access their free account (no credit card required). Existing subscribers are also eligible. Content owners who would like to give strapped parents a break should submit their titles [here](#) for a chance to publish their work on VidAngel during the pandemic if they would like to help during the quarantine.
